

Fableism

“The Writer” and branches of Fableism

- The Writer is a true neutral being who manipulates the fate of the world to create an interesting story.
- Classical Fableism = The Writer is the only god. They created the universe and manipulate the course of history to create an interesting story.
- Monolatristic Fableism = The Writer is the god of Fate. The other gods exist, and The Writer manipulates the power of fate to create an interesting story throughout the universe.

Followers of The Writer

- Origin story
 - o The Champion of the Writer was a powerful adventurer founded the country of Angelia. She was the ideal standard for the embodiment of The Writer on the material plane and the first Oracle.
- Readers (Religious leaders)
 - o Readers are the medium between The Writer and the followers
 - Each reader has a sacred book or other form of text-based platform (book, scroll, cards, dice, etc.)
 - The sacred books are not to be shared with anyone (One of the only HARD rules)
 - The Writer only communicates by making text appear in a readers sacred book. This text always appears in the form of a story. The readers job is to decipher the message of the story and tell it to the followers.
- Followers
 - o Each and every soul is on a journey of growth and development.
 - o The more powerful and influential you become, the greater degree of impact you can have on your fate.
 - o Readers are the most influential members of their community. They become the readers by having the most influence over their fate and the fate of others around them.
- The Oracle
 - o The supreme ruler of Angelia
 - o Selected every 5 years at “The Khronika” by The Writer. (known by non-believers as a holiday called “the day of Fate”)
 - The Writer writes in the book of the Reader he chooses to be the next Oracle
- The Khronika
 - o Celebrated as the day of Fate around the world.
 - o A religious ceremony in Angelia in which all of the Readers gather to record the writings of the past year in “” (the artifact book)
 - o The current Oracle is responsible for organizing this event.
 - o The Divulgence of the Fates
 - The Writer chooses the next Oracle and gives them an omen of the year to come.
